

CANONICAL VISIT NAIROBI ZONE

On the 21 October, 20 Missionaries who are working in Nairobi zone gathered at Consolata shrine for the zonal assembly thanking God for the special moment of canonical visitation. They are from the communities of Consolata Shrine, regional house, kahawa West, Githurai, Familia Ufariji and Nazareth. We thank God for the gift of missionary vocation as consolata missionaries. May our Lady Consolata guide us in living our charism of consolation especially in today's world.
